The main house has a modern kitchen complete with fridge freezer, dishwasher and cooker. There is a spacious living room with separate dining area that has a fireplace and wood burner. There are four bedrooms in total. The master bedroom has a private en-suite and there is also a large family bathroom. The property has been insulated and has double glazing as well as two air-conditioning units to enable the property to be kept cool in the summer and warm during the cooler winter months.

Outside the property has a large private pool with a tiled sun bathing terrace. There are also covered terrace areas around the main house perfect for alfresco dining. There are a number of large palm trees surrounding the property that form a natural perimeter and define the garden area.

There is a newly built stable block containing 4 large stables and a tack room as well as a recently surfaced 60x20m outdoor arena with drainage and a large paddock of approximately 10,000m².

This property has been priced to sell and is ideally situated for an equestrian lover who wants to be located inland, yet still close to local amenities. Sax is a vibrant and thriving town with a modern hospital and a large shopping centre, as well as being located only 30 minutes away from Alicante Airport and local beaches.
