REF: ICX 1254

Alhaurin el Grande

€1,050,000

The villa is built over three levels and features three en-suite bedrooms with lots of wardrobe space and dressing room areas. The living room/dining room opens out onto a large covered and glazed terrace. On the lowest level is a garage with room for four cars. There is also an independent apartment comprising of two bedrooms, living room with kitchen, and a shower room. Outside, there are landscaped gardens, a pool and an outdoor entertaining area.

The stable yard is accessed via its own private entrance and includes four boxes, a tack room, and a feed room. There is an arena, a track of 330m and a schooling area of 55m x45m, all floodlit, well-drained and with geotextile surface.

The property has an OCA licence for five horses, but the licence can be extended to 10 horses.

we have much more detail and more photos on file so please contact us for more information*
